A NOTE FROM THE PRESIDENT

TONYA SAXON

It is hard to believe that 2020 is finally coming to an end. With all of the twists and turns, high and lows, we are finally bringing this year to a close. It also means that my time as WTS Atlanta Chapter President is coming to a close as well. I am so honored that I had the opportunity to serve this organization over the past two years. I am incredibly proud of all that this chapter has accomplished during that time. We were able to begin offering continuing education credits for our programs, rolled out the new WTS Atlanta logo, transitioned our amazing programs to online only in the midst of the pandemic and increase our scholarship award amounts. Make no mistake, these things were not accomplished alone. I could not have done this without the hard work and unwavering support of the WTS Atlanta Board of Directors during my tenure. I would also like to thank the many members and friends of WTS Atlanta who help this chapter thrive and continue the important work of advancing women in transportation. Thank you all and happy holidays.

MOORE GIRLS IN STEM EVENT RECAP

WTS Atlanta partnered with Council President Felicia Moore on the December 5th for the “Moore Girls in STEM” virtual program. Scholars from Agape, Bright Futures, Kipp Woodson Park Academy and Scott Elementary they all completed a project to re-image their neighborhoods and built communities using the Brown Toy Box. Special thanks to all the volunteers who participated as coaches for each of the schools.
