## Happy 40th WTS Atlanta

WTS Atlanta is excited to kick off a year-long celebration for our chapter's 40th anniversary! We invite our members and WTS supporters to join in all our anniversary-focused events throughout the year, including our evening Gala on November 4th. This year we will build on our strong history and accomplishments and focus on growing our membership and scholarships to further invest in women in the transportation industry. We greatly appreciate our sponsors featured in this newsletter for making this celebration year possible. To learn more and get involved, register below for our membership meeting at noon on February 15th.

## Committee Spotlight

### DBE/Inclusion and Diversity Committee

The DBE/Inclusion and Diversity Committee is gearing up for a packed 2022. There will be quarterly roundtable discussions (first meeting scheduled for Friday, February 25th, 11-12), and a happy hour will be planned for later in the year to celebrate the DBEs and primes that support them. The committee will also be coordinating relevant speakers and workshops that benefit DBE businesses. Finally, the committee will help plan for the annual WTS/COMTO DBE Matchmaking event in the fall. To be part of the committee planning group and/or to join the quarterly meetings, please send Charlotte Weber, the new WTS DBE Chair, a note on how you would like to be involved in 2022 at [cweber@lumenorconsulting.com](mailto:cweber@lumenorconsulting.com).
