

EAC Member	Background/Field	Biography	LinkedIn	Email Address
Amara Hildebrand	Civil Engineer	I run a small business with my husband, so I've learned the art of patience. I rarely practice civil engineering any longer as we are immersed in the survey business with very few employees. I love coming up with unique solutions to complex problems and sharing my knowledge.	https://www.linkedin.com/in/amarahildebrand/	ahildebrand@eugenelynne.com
Amy Ford			https://www.linkedin.com/in/amy-ford-55386b/	amy.ford@denvergov.org
Andrea Albo	Social Work, Public Administration	Denver native with seven generations of ancestry roots in Colorado. Love traveling, hiking, running, yoga, and forest bathing.	https://www.linkedin.com/in/andrea-albo-70a28992/	andrea.albo@flydenver.com
Andy Mountain	Communications, Management Consulting	Dot connector. Coalition builder. Process optimizer. Big-idea generator. Creative problem solver. March-Madness commissioner. Street-art lover.	https://www.linkedin.com/in/andy-mountain/	andymountain@gbsm.com
Carla Perez	Government Affairs		https://www.linkedin.com/in/carla-perez-206a189b/	carla.perez@hdrinc.com ;
Carrie Wallis	Plangineer	Problem solver, focused and driven in the workplace. Still navigating the nuances of project management vs company management. Enjoy anything outdoors, travel when I can (and netflix).	https://www.linkedin.com/in/carrie-ann-wallis/	carrie.wallis@atkinglobal.com
Chau Nguyen	Transportation/Civil Engineer		https://www.linkedin.com/in/chau-nguyen-6ba56a7/	chau.nguyen@hdrinc.com
Chris Proud	Planner		https://www.linkedin.com/in/cproud/	christopher.proud@hdrinc.com
Colleen Roberts	Transportation/Planning/NEPA	My business partner and I started our company after working together at national/global engineering firms for many years. I love transportation, mentoring young professionals, and, hobby-wise, most sports and outdoor activities.	https://www.linkedin.com/in/colleen-kirby-roberts-aicp-a8085a1b/	colleen.roberts@peakconsultingco.com
Crissy Fanganello	Transportation/Urban Planner	Denver native. Yogi. Hiker. Biker. Mom (to humans and doggos). Partner. Leader. Coach. Recovering executive.	https://www.linkedin.com/in/crissy-fanganello-a6726117/	crissy.fanganello@gmail.com
Danielle Smith	Transportation/Civil Engineer	I've spent my entire 29 years in the Metro Denver transportation industry and have had the fortune of working on major transformative projects. I enjoy building teams and advancing other employees careers. I love camping, hiking, skiing and gardening.	https://www.linkedin.com/in/danielle-smith-332a7910/	danielle.smith@triunityeng.com
Debra A. Johnson	Public Administration	A person in the people business, a transit executive guided by the knowledge that her decision making has direct connect that benefits the people's lives. She loves music, as its the soundtrack to a great life; she loves to dance, travel and try new things!	https://www.linkedin.com/in/debra-a-johnson-3310051/	debra.johnson@rtd-denver.com
Denise Aten	Transportation/Planning/NEPA	My career has been focused on supporting public entities, from the private sector, with efforts around capturing and spending public funds to improve the quality of life for their residents through transportation, land use, and more.	https://www.linkedin.com/in/denise-aten-aicp-53a3101a/	daten@bhinc.com
Galina Leiphart	Transportation/Bridge Eningineer		https://www.linkedin.com/in/galinasleiphart/	galina.leiphart@rsandh.com
Holly Buck			https://www.linkedin.com/in/holly-buck-pe-38381b6/	holly.buck@fhueng.com

EAC Member	Background/Field	Biography	LinkedIn	Email Address
Jason Longsdorf	Transportation Planning	Focused on delivering environmentally responsible multimodal projects and the strategy around developing winning teams to effectively, efficiently deliver our clients projects. I also like to travel by foot or bike through cities (and steal their best ideas to bring them back to Denver!)	https://www.linkedin.com/in/jason-longsdorf-91944a16/	jason.longsdorf@hdrinc.com
Jen Wood	Transportation	Transportation professional focused on delivering meaningful infrastructure improvements, growing teams, and expanding market opportunities. I love to garden, cook, and spend time outdoors.	https://www.linkedin.com/in/jennifer-wood-p-e-6057a812/	jennifer.wood@parsons.com
Jenny Young	Transportation Planner/Engineer	Transportation planner and engineer focused on helping communities plan for and fund multimodal improvements. Enjoy hiking, biking, and skiing.	https://www.linkedin.com/in/jenny-young-67706a29/	jenny.young@fhueng.com
Jessica Fields	Transportation Planner/Engineer		https://www.linkedin.com/in/jessicajuriga/	jfields@tooledesign.com
Jessica Myklebust	Transportation/Environmental/PM/Director	Leader of the CDOT Region 1 team responsible for delivering and maintaining the Region 1 transportation system - focused on maintenance, project delivery, safety, multi-modal etc.	https://www.linkedin.com/in/jessica-myklebust-58882010b/	jessica.myklebust@state.co.us
Kara Swanson	Environmental	Transportation environmental planner with a love of business development, strategy, and building client and colleague relationships. Love hanging with my kids at Nuggets games, concerts, or in the mountains. I also love to travel, read, and petting all the dogs I can find.	https://www.linkedin.com/in/kara-swanson-49781a1/	kara.swanson@oneatlas.com
Karen Good	Transportation Planning	Transportation Planner with extensive experience working on multimodal projects in the public sector. Have a passion for mentoring transportation professionals and students.	https://www.linkedin.com/in/karen-good-a065365/	karen.good@denvergov.org
Lindsey Sousa			https://www.linkedin.com/in/lindsey-r-sousa-aicp-env-sp-1188861a/	lindsey.sousa@aec.com
Patricia McKinney	Utilities	Retired from CDOT with 30 years of public service. Utilities Engineering Program Manager when retired. Sr. Proj manager whose role includes both utility coordination and business development. Love dogs, singing in the choir, the arts, and the great outdoors.	https://www.linkedin.com/in/patricia-mckinney-clark-a61a4497/	patricia.clark@t2ue.com
Sara Ciasto	Transportation Design	Transportation engineer whose role includes both project management and business/client development strategy. Working mom who is ambitious about everything and learns every day where to push and what to let go of.	https://www.linkedin.com/in/sara-ciasto-0878a3b/	sciasto@deainc.com
Scott Epstein	Environmental	Love family adventures, skiing, road and mountain biking, hiking, and camping. Enjoy helping people understand different career pipelines and how we can pair what we like to do and what we are good at. I have grown (and continue to grow) from technical team member, to project manager, to business unit leader, to company executive.	https://www.linkedin.com/in/scott-epstein-894a3b5/	epstein@pinyon-env.com
