

## WTS Junior College/Technical/Trade School Scholarship

WTS fosters the development of women in the transportation field by encouraging bright new professionals to undertake careers in transportation. One way it does this is by awarding community, technical, or trade college scholarships to women pursuing transportation- related study at community and trade colleges.

This scholarship is intended for students pursuing an associate or technical or trade school degree in transportation-related studies.

The WTS Junior College/Technical/Trade School Scholarship is **\$2,500**. The minimum criteria for selection are:

- a. GPA of 3.0 or higher
- b. Currently enrolled in a degree program in a transportation-related field.
- c. Plans to pursue a career in a transportation-related field.

Applications must be submitted through local WTS chapters as typed documents. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the upcoming WTS Annual Conference in May, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection and may have additional requirements, such as personal interviews or higher GPA. Please contact your local WTS chapter for specifics.
