

WTS Transportation YOU High School Scholarship

WTS fosters the development of women and girls in the transportation field by encouraging bright new professionals and students to undertake careers in the area of transportation. One way it does this is by awarding the WTS Transportation YOU High School Scholarship to girls pursuing high school studies in science, technology, engineering, and math.

Transportation YOU is a hands-on, interactive, mentoring program that offers young girls ages 13-18 an introduction to a wide variety of transportation careers. Through the Transportation YOU program and this scholarship, WTS chapters work to make a difference in the lives of young girls by offering opportunities and activities that will spark their interest in all modes of transportation and encourage them to take courses in math, science, and technology, which are the steppingstones to exciting careers that can change the face of the transportation industry.

The WTS Transportation YOU High School Scholarship is **\$2,500**. The minimum criteria for selection are:

- a. Applicant must be a high school senior
- b. GPA of 3.0 or higher
- c. Currently studying math, science, and technology
- d. Considering a college degree in a transportation-related field

Applications must be submitted through local WTS chapters as typed documents. Scholarships are competitive and based on the applicant's specific transportation goals, academic record, and transportation-related activities or job skills. National awards will be presented during the upcoming WTS Annual Conference in May, and attendance during the awards ceremony is strongly recommended. Conference registration for scholarship winners is complimentary. Local chapters will assist with arrangements upon selection and may have additional requirements, such as personal interviews or higher GPA. Please contact your local WTS chapter for specifics.
