

DEPARTMENT OF TRANSPORTATION

Transportation Systems Planning Director | Up to \$109,098/annually

Are you looking for an exciting opportunity to get your foot in the door with State of Minnesota? If so, come join our MnDOT team at our **Water's Edge location in Roseville, MN!**

*This position will have the flexibility to work in the office or a hybrid schedule. The incumbent will be required to report onsite at least once/month but may be required to work onsite more depending on business needs. If working a hybrid schedule, the incumbent will be required to make a telework arrangement with their supervisor. *This position was previously posted and is being reposted for additional applications.*

Our **Transportation Systems Planning Director** position develops, directs, and manages multimodal transportation plans, studies, research activities, and investment planning for the Long-Range Planning unit in the Metro District Office of Planning, Program Management and Transit. This position also participates in an advisory capacity in regional, state, and federal planning processes.
